The real application has not been supplied yet. It will replace this file before the site goes live at fop45.com.

To request a membership application today, email President@fop45.com and the lodge will mail or send you a copy.

Membership is open to any regularly appointed or elected, full-time employed law enforcement officer of the United States, any state or political subdivision thereof, or any agency — and to honorably retired officers. Annual dues are \$52.
