Scholarship Application

This is a placeholder, not the lodge's scholarship application.

The real application has not been supplied yet. It will replace this file before the site goes live at fop45.com.

In the meantime, applicants can apply using the online form at fop45.com/scholarship/ , or email sarasotafop45@gmail.com to request the paper packet.

Either way, the essay must be emailed as a Word document to sarasotafop45@gmail.com. Mailed packets must be postmarked by the published deadline; hand-delivered packets are not accepted.
